

JOE (THE TARGET):

- * At what point did Joe realise he was being bullied?
- * What do you think was the worst part about being bullied online?
- * Did Joe know who was involved? Who did he trust?
- * What did Joe do to help himself out of this situation?
- * What stopped Joe from telling anyone (including his mum and his teachers) about what had happened?
- * When could Joe have told someone what was happening?
- * Who could Joe have told? Discuss who you could trust and whether it is a good idea to talk only to friends when you are really worried about something. What is the responsibility of a friend if they are told about bullying behaviour?
- * How do you think Joe feels now?
